SMART HOMES

POWERED BY ENERCARE®

Enjoy the comfort, convenience and peace of mind a homeowner needs and deserves.

WELCOME TO YOUR SMART HOME

Enjoy comfort, convenience and peace of mind. Powered by Enercare®, myCommand brings the latest home technology for you to enjoy when you are home, and to monitor when you are away. Turn lights on or off, unlock the door, adjust the temperature, check the video door bell and more. Enjoy unprecedented control over the features and functions of your home at anytime, from anywhere.

Smart Home Hub

Access all of your home functions from one Smart touchscreen device. Your Smart Home Hub is the control centre for your comfort.

USB Outlets

Two USB Outlets are provided, one in the Kitchen and one in the Master Bedroom, for ease and convenience of charging your family's devices wherever you are.

Two Smart Switches

One for exterior lights and one for foyer lights, so you never arrive to a dark home. Smart switches can be controlled from your Smart Home Hub or synced with your smartphone.

Smart Home Thermostat

Heat and AC are integrated with the Smart Home Thermostat. Enjoy precision and convenience without leaving the couch.

Schlage Sense Door Lock with Keyless Entry

Now getting in the front door is as easy as entering your secret access code on a touchscreen, or using your smartphone to unlock the door.

Smart Wiring Package

Superior wiring to support Smart Home technologies including automated lighting, heating, security, audio, video, high speed networking and more.

Video Door Bell

See who is at the door, whether you're in the house or on vacation thousands of kilometers away. The state-of-the-art Video Door Bell syncs to your smartphone.

HVAC Performance Monitoring

Control your home's heating and cooling systems from your smartphone, set schedules, performance optimization reminders and more.

AT LAST, A HOME THAT LOOKS AFTER YOU.

Access, control and convenience like never before.
