All dimensions are approximate. Information subject to change without notice. The square footage is calculated from the outside dimension of the building on the first and second level and includes the finished area of the lower level if applicable. Garages, attics and unfinished area in the lower level are not included in calculations. Lower level columns, water heater and furnace are not shown and will be placed based on builder's requirements. Number of steps and railings provided may vary due to grade. Windows vary as per elevation. Actual usable level space may vary from the stated level area. ZTH-01, D.O.P. 09/15/23 Renderings are artist's concept. E.&O.E.
